Active is a proprietary complex that supports the body's ability to maintain healthy digestion and metabolic activity. The enzymes in this product are 100 percent vegetable source, and have an effective pH range of 2.4-9.8.

This product does not contain chemicals, preservatives or milk products, which makes it truly organic and vegetarian-friendly.

SHOULD I USE BALANCE?

Need extra digestive help? Active is packed with plant-based enzymes that support the Digestive system. Protecting the health of the digestive system is integral to supporting the health of the entire body.

We need to obtain enzymes from outside sources such as raw foods like fruits or vegetables, instead of relying solely on what our bodies can produce. Get the enzyme support you need with Active.

HOW BALANCE WORKS

Inside our all-natural Active formula, you'll find Protease and Amylase, which support your body without the negative side effects that come from using products with harmful or toxic ingredients.

WHAT MAKES BALANCE UNIQUE?

Here at Veo Natural, we're committed to offering high value, quality products.

That's why we don't use fillers, and triple-test our formulas to ensure we provide the purest, most effective supplements on the market.
