Are you sick of the fishy taste that comes from omega products?

That's why we developed Krill +, which contains pure krill oil that is contained in softgel and has been specially formulated to give your body the nutritional benefits it needs minus the nutritional benefits it needs minus the unsavory aftertaste and pesky fish burps.

INSIDE OUR SPECIALIZED FORMULA

Inside our Krill + formula, you'll find nutrient that support you body without the negative side effects that come from using products with harmful or toxic ingredients.

Krill

Our Krill + contains at least 42% Antartic krill oil phospholipids with bonded krill omega-3, and at least 25% combined EPA and DHA.

SHOULD I USE KRILL +?

This isn't your run-of-the-mill fish oil. This oil is ethically sourced from the pristine waters of the Souther Ocean in Antarctica. That means that our Krill + formual is free of impurities, to better maintain healthy cell regeneration and naturally defend against inflammation and associated pain.

WHAT MAKES KRILL+ UNIQUE?

Here at Veo Natural, we're committed to offering high value, quality products.

That's why we don't use fillers, and triple-test our formulas to ensure we provide the purest, most effective supplements on the market.
