Poor diet choices, stress and toxin overload can cause digestive issues.

Leaky Gut is a condition that occurs when small perforations in the stomach's lining allow toxic proteins to get into the bloodstream. The body needs to constantly repair the lining of the digestive tract and the ingredients found in Leak support the gastrointestinal tract's ability to repair, restore, patch and revamp intestinal walls.

### INSIDE OUR SPECIALIZED FORMULA

Inside our all-natural Leak formula, which supports the digestive system for healthy intestinal walls with help from Ion Mineral Clay and Slippery Elm Bark, ingredients known for their natural abilities.

Ion Mineral Clay

Slippery Elm Bark

### SHOULD I USE LEAK?

Are you constantly worried about how the food you eat will upset your stomach? We want you looking forward to your next night out, instead of dreading it. Leak maintains a healthy istomach and intestinal tract for digestive health.

### WHAT MAKES LEAK UNIQUE?

Here at Veo Natural, we're committed to offering high value, quality products.

That's why we don't use fillers, and triple-test our formulas to ensure we provide the purest, most effective supplements on the market.
